AUGUST 2024

# 1 STEP

Move ahead, its time to get up and crawl

We have fallen again, embracing the darkness & hiding from reality

Without work, riches are impossible

Do not skip any responsibility

Take one step today, Clean the cobwebs of Brain

Create the future, failures are repeating with same actions.

Reject the wrong way of work,

Get going slowly, Walk, crawl, run, waddle

The ship encounter mighty storms all the way to reach their ports,

Do not be disheartened, Life is not over

Its a new day again, Do the necessary first,

Focus on the most important work,

Get fit, became a responsible & disciplined person.

# TARGET PRACTICE

Lock on to a single target,

Keep hitting it regularly without break

First make the basic requirement meet,

Everything else is unnecessary.

Do your best work in the 1st half,

Everything else can be done in the evening if possible Your health should be optimum for long term.

# DE-ADDICTION GAME

Begin with the end in mind

Stop reading the news, stop reading exaggerated fiction Instead read biographies, research papers

Solve puzzles to keep mind active

Know the problem, that is holding you back

Use your memory recall power to solve problems, rather than day dreaming

You cannot rewind the past to fix mistakes,

Instead work on today, so that your future pathway is not derailed.

You have to become better than what you did last year.

So do today, what you wish to be in the future.

# LIVING AGAIN

Life has provided an option to live again

Another branch to hold on to desperately

It has become a nightmare to live without hope

Hold on to it wisely

# DECLARATION OF WAR

Excuses have been flying continuously.

Debts are piling due to wrong actions

Interest wanes off without dedication.

How is it, that even the basic things are not understood leading to problems

Using the easiest solution is leading to testable outcomes

There are no shortcuts, no quickfixes.

Get the ball rolling, do not apologize for new mistakes and avoiding creating issues.

We will try a 100 different tasks, but we will not stop trying to win

Become consistent, its the easiest way to come out of the current predicament &

All future problems if not handled

No more excuses, no running away

We create our destiny today, yet again for a brave new world
